NOTICE

I thank and congratulate the house exam committee for the smooth and successful conduct of House exams, however the teachers are advised to deal with the left-out candidates at their own level.

They are also directed to ensure that their classes are taking place regularly and students are attending these classes as per time-table.

They are also advised to upload the Internal Assessment (IA) well in time before the commencement of theory examination to avoid any inconvenience to declare the result of the students. Further, as per HPU ordinances, only those students will be allowed to get roll number who have passed CCA/IA.
