The meeting started with welcoming the staff members by the staff secretary while talking about the first agenda of the meeting. Chair expressed his gratitude to staffs and congratulated all the staff members for their effort to ensure the successful completion of 'G.B. Pant Memorial distinguished Lecture series' and 'Annual Prize distribution function for academic session 2023-24'. He appreciated the sincere effort of faculty members to manage the amazing gathering of students and their active and effective participation in question/Answer session.

While talking about the positive outcomes of the results and to improve the academic atmosphere of the college, one of the faculty member suggested to engage the students in some creative activities in addition to the cultural activities (Prof. Rajesh Negi). It was proposed in the meeting that to intensify the academic excellence, it is required to engage the students in academic activities, so that their potential can be channelized in a creative and constructive manner. For this the college auditorium which is an assets of college can be utilized for many academic purposes such as: To screen historical/Geographical documentaries, educational movie and spiritual and motivational talks. To promote the research aptitude seminars/workshops would be conducted by active involvement of PG students and faculty members or even involving faculty members from cluster colleges.

Chair informed the house that the website service provider of the college has been charging 80% of the prospectus fee amounting approximately 26 Lacs in

the each academic session in addition to the Annual maintenance charges. As the vendor is charging exorbitant and irrational charges, therefore the office made a correspondence in this regard to terminate his services and the website service provider is ready to terminate his contract with the college. Therefore the chair requested the staff members to visit the admission portal of the college and note down all the doubts which are to be cleared ~~in~~ during the interaction meeting of the staff members with the new website service provider and can be asked for required modification and necessary upgradation.

to
of
the chair showed his concern/resentment about the swapper engaged in the college for continous, as they are not performing their duties as per their job profile and expressed his willingness to engage some other one for the same, if they do not improve their assigned work in future.

Coming to the 2nd Agenda of the meeting i.e. to review the expenditure related to the superannuation of any employee of the institution. to ensure that all the financial aspects of the retirement are handled appropriately and judiciously keeping in view the welfare of staff. is introduced by the staff secretary in the house. During the discussion, one of the staff members suggest to contribute 0.1% of the salary (Chand Dwi, JOR, IT). After a prolong discussion, it was decided by the house to decrease the amount to 100/- (Rupees Eleven thousand only) for purchasing gift and the total

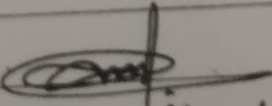

supremacy NOT ENDED in the superannuation ceremony

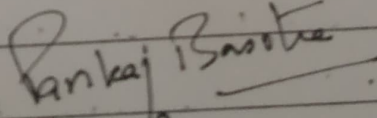

total would be divided equally among staff members except employee of the 4th class.

Coming to the 3rd Agenda of the meeting, the Income-Expenditure of the staff fund of academic session 2023-24 was tabled before and read by the staff secretary and the same was approved by the house unanimously.

The Chair proposed the name of Mr. Heera Bhegi, Asstt. Professor, Dept. of Commerce to keep the records of all Income-Expenditure of the staff fund from academic session 2024-25 onward and the house approved the same unanimously.

The meeting came to an end by vote of thanks by the staff secretary.

Report of interaction and counseling session for PG students

A Series of interaction and counseling session for outgoing PG students were organized in the Govt. college Rampur Bushahr w.e.f. 3 June 2024 to 6 June 2024 (4days) for the internalization of quality teaching –learning and conducive ambience in the campus for the holistic development of the students in both morning and evening session. All the sessions of this interaction programme were chaired by principal, Dr. Pankaj Basotia, G.C.Rampur. In this interaction and counseling session Coordinators of this programme, staff members and students of PG fourth semester from various department i.e. Botany, Chemistry Zoology, Commerce, Economics, English, Geography, Hindi, History, Mathematics, Political Science, Sociology and PGDCA participated.

Objectives:-

The main objective of this programme was to interact with the outgoing students to understand the fulfillment of their interest area, redressal of academic and pedagogical problems, encourage them to share their experiences in college as well as guide students wherever they need. So every participant got a chance to speak in this interaction session.

Strengths:-

Most of the Students were very happy for this interaction session and shared their views, challenges, experiences, feelings, suggestions etc.

Most of the Students appreciated college library, reading room as well as the increased timing of library (8: 00 am -8:00 pm) which facilitated adequate space and time for the students for studying as they could utilize their precious time in reading in an ideal environment with increased seating capacity. Some students appreciated co-curricular activities in the college such as cultural programs, academic programmes, sports activities, educational tour, field visits as these activities provide with an ideal opportunity for Experiential and participative learning which ensures effective curriculum delivery etc. Many students admired their hostel life and considered it very important for their overall development and learning. Most of the students were happy for nice behavior of teachers while teaching, guiding and motivating them.

Students also shared the challenges they were facing in college. The most common among them were lack of teacher for PG classes, lack of rooms for PG classes, lack of standard and advanced books in library, issues related up gradation of Laboratory and issues related to cleanliness and hygiene in toilet etc. Many students also shared that PG students feels neglected in college due to less importance is given to them as compared to U G students. Some students also shared that there are only a few awareness programmes related to various aspects of life and co-curricular activities in college campus which should be increased. Beside this students also shared their heart touching life storey and challenges faced by them for study.

The chairman, Dr. Pankaj Basotia, Principal, G. B. Pant Memorial Govt. College, Rampur listen every students intensively and shared his valuable experiences as well as gave the solutions for the raised problems with his in-depth knowledge and experiences.

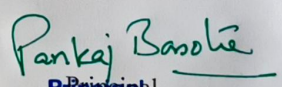

The Following suggestions had come from chair, teachers and students:

1. Awareness programs related to their career opportunity, life skills, soft skills, values, financial knowledge, health and hygiene, menstruation, sports and games, environment UGC NET etc. Should be promoted among the students.
2. Various clubs should be formed in college such as photography club, art and craft club, gardening club, cleanliness and sanitation club etc. and the students should be involved in college administration through these clubs for the effective implementation of the policies.
3. Orientation program for student should be organized in college campus in the beginning of new session to make student comfortable with new environment of the institution ,teachers and various activities of college .
4. CSCA of college is needed to be more active and make and prepare an activity calendar in the beginning of every academic session and also collect the feedback of the students and other stake holder at the end of the session or the completion of the degree.
5. What's app group of parents should be made in to sharing the student's related information to parents.
6. Students also suggested for more smart classroom, dispensary, separate PG block for PG student, Lockers in library, ATM, Indoor Game etc.
7. Library should have advanced and standard books for PG Students.
8. Laboratories should be well equipped with instruments and equipments.
9. Special teacher should be there to teach technical subjects like GIS and remote sensing in geography.

All the students and teachers appreciated the insight and vision of the chair to organize this type of interaction and counseling sessions in this institution for the first time, which were not only fruitful to all the students but for the growth of institution too.
