Principal  
G.B. Pant Memorial  
Govt. Degree College  
Rampur Bushahr (H.P.)

## Report of "Feedback form on curriculum for Teachers" for session: 2019-2020

### Arts:

1. Political Science: Syllabus for B.A II year and III year SEC should be improved.
2. Education: Some of the topics added are not according to the grade and standard of the students and also there are no such books prescribed for the syllabus. Secondly medium is also an issue.
3. Economics: Current topics of economic World must be included in the syllabus.
4. Hindi : Some topics related to environment should be included.
5. English: Changes in the syllabus is needed in view of competition as the world is becoming a global village.
6. Sociology: Improvement and addition in the syllabus, addition of moral values which are important in the present era. There is decline of social values and hence give emphasis to bring harmony and coherence in the society.

### Commerce:

In cost accounting case studies of companies regarding costing shall be included in the course. Add some practical work with theory.

### Sciences

1. Maths: Computer based contents should be included. Syllabus should be job oriented. Books of some foreign authors should be introduced.
2. Chemistry: Syllabus of B.Sc II Year should be reduced and more practicals should be according to the theory and SEC should be practical oriented.
3. Botany: Syllabus of B.Sc I Year should be reduced. In the syllabus more unknown plants used by remote/ tribal people must be included and everyone should be benefitted for such plants. The recommended book for the course is "An Introduction of Ethnobotany" by Jain, S.K and Jain A.K (ed.) 2013 by Deep Publication New Delhi.

Computer Science: HTML practical for PHP should be included.

### B.C.A :

More theory subjects should be added and mathematical subjects should be minimised. More practicals and languages should be added. Syllabus should be updated as per current time. Maths should be eliminated from 2<sup>nd</sup> and 3<sup>rd</sup> year.

### B. Voc. :

In H&T course other major department subjects should be introduced such as F&B service, Housekeeping, F&B production. There should also be proper books for general component subjects.

## Report of "Feedback form on curriculum for Students" for session: 2019-2020

### Arts:

1. Political Science: Syllabus should include topics related to moral education and to improvise the mental abilities.
2. Education:
3. Economics:.
4. Hindi : ICT and modern teaching learning methods should be incorporated. Communication skills based syllabus should be incorporated.
5. English:

### Commerce:

Skill improvisation work should be included more.

### Sciences

1. Maths:
2. Chemistry: Seminar and presentation should be mandatory for the students. Class tests should be taken regularly after finishing every unit. More experimental work should be included in the syllabus. Topics should be related to the upcoming scenario.
3. Botany: Syllabus of B.Sc I Year should be reduced. The diseases on local plants cultivated by farmers of H.P tribal areas must be included. Morphology and more gymnosperms of H.P may be included. Field visit should be there.

### Computer Science:

B.C.A : Updating the syllabus and advancement in technology is needed.

B. Voc.: Repetitive curriculum of skill components. Syllabus of general component is very confusing. Course need to introduce more industry related subjects.

## Report of "Feedback form on curriculum for Students" for session: 2019-2020

Most of the parents rated the curriculum of the college as excellent in various parameters like:

1. Curriculum is well designed.
2. Inculcating the moral values and enhancing their mental ability.
3. Participation of the students in sports and other co-curricular activities.
4. Easily available of books and study material in the market.

Syllabus of some of the subjects is not found to be job oriented by some parents. While most of the parents found syllabus too bulky to be covered by the students particularly of 1<sup>st</sup> Year.

The parents were satisfied by the various scholarship schemes and fee concession offered by the college. Evaluation system was also rated satisfactory by most of the parents.

A handwritten signature in black ink, consisting of a large, stylized initial 'S' followed by a series of loops and a final flourish.
